Checklist for Evidence & Inference Worksheet

SUMMARY (in large box)

Q. 1 Q. 2 Q. 3 Q. 4

A summary statement of approximately 75 words is made in response to each Question, before evidence and inferences.				
Summary is in my own words.				
Summary is accurate, clear, and relevant to the Question.				

EVIDENCE

Q. 1 Q. 2 Q. 3 Q. 4

2-3 different quotations from <i>Great Migration Letters</i> are included as evidence under each Question.				
Quotations are taken from specific parts of letter to make a specific point (i.e., don't copy the entire letter as evidence)				
1-3 different photographs from the <i>Great Migration Images</i> are included as evidence under each Question.				
Images provide solid evidence for the point you are making (i.e., point out specific things in the photo)				
4-5 different screen captures from the <i>Great Migration Map</i> are included as evidence under Questions 1 and 2.				
4-5 different Legend Layers are explored & investigated as evidence.				
Your maps are framed and zoomed to clearly show the data that support your point, including labels & numbers.				
Your maps show change over time.				

INFERENCES

Q. 1 Q. 2 Q. 3 Q. 4

Inferences are in my own words.				
Inferences are SPECIFIC rather than general or vague.				
Inferences connect Evidence to claims about the Great Migration made in the Summary.
